

15kW freedom won battery

Overview

With a total energy capacity of 15kWh, this battery delivers exceptional performance, durability, and efficiency, ensuring uninterrupted power for your essential needs. We offer a wide range of leading lithium battery solutions to cover all your needs from our smallest 7Ah 12V gate motor batteries through to our largest 5MWh containerised. The LiTE Home 15/12 LiFePO₄ Battery offers 15kWh of total energy, engineered for residential solar systems. The LiTE Home 15/12 LiFePO₄. Power your home or business reliably with the FreedomWon Lite 15kWh Freestanding Lithium Battery. Efficient, durable, and versatile backup solution. Nominal voltage: 52 V (minimum 47 V, maximum 56 V) for compatibility with 48 V systems. High discharge capability: up to 24 kW peak, 15 kW continuous.

15kW freedom won battery

Freedom Won: Africa's Largest Lithium Battery Manufacturer

Freedom Won's LiTE solutions are designed for optimal return on investment, securing energy costs far below most grid tariffs. Residential Off-grid and Grid Interactive systems are sized to suit household's ...
