

# 30kWh energy storage battery cabinet for weather station

**easy to install and use**

**World wide Products**

**faster charging and discharging**

**Multiple protection with alarm systems**

**Can save energy**

the battery capacity can be increased freely and flexibly according to the situation of home use.

Rechargeable lithium batteries use safe LiFePO4

## 30kWh energy storage battery cabinet for weather station

### Outdoor 30 KWh Heated/Cooled Weathertight Enclosure Lithium Storage

The battery modules are equipped with an automatic fire extinguishing device to prevent fire hazards. The cabinet temperature control adopts the design of thermal insulation layer and air conditioner
