

A 250kW outdoor photovoltaic cabinet is used in a hospital in Congo

A 250kW outdoor photovoltaic cabinet is used in a hospital in Congo

OUTDOOR CABINET

The following models represent typical configurations, but they can also be outfitted with additional components such as photovoltaic charging modules, parallel and of-grid switching modules, power ...

100 kWh-500kWh Outdoor All-in-one Energy Storage Cabinet

This integrated solar battery storage cabinet is engineered for robust performance, with system configurations readily scalable to meet demands such as a 100kwh battery storage requirement.
