

Amman monocrystalline double-glass module manufacturer

Overview

Mogen Solar launched a new generation of ultra-high efficiency HJT solar modules, monocrystalline N-type HJT bifacial double glass 620w-640w Watt photovoltaic solar panel. The new series integrates 210mm silicon wafers, with HJT, bifacial, multi-busbar cell technology and high-density. With glass-glass modules, you benefit not only from enhanced efficiency but also from a stable and long-lasting return on investment. Excellent protection against corrosion and mechanical damage, ideal for extreme climate conditions. All pv modules follow the standard of TUV, CE, ISO9001, ISO14001, ETL, UL,,,etc. Fast delivery, carton box and pallet packing,accept OEM,ODM service. A total. OEM manufacturer custom Mono-Crystalline 80W Solar Panel Wholesale to Amman, Our company maintains safe business mixed by truth and honesty to keep long-term relationships with our customers. Technical parameter Maximum Power (W) 80W Optimum Power Voltage (Vmp) 15. 90V Optimum Operating Current. EVO 6 Series Mono PERC 132 Half Cells 650W 655W 660W 665W 670W Bifacial Dual Glass Solar Module Based on 210mm silicon wafer and 132 half-cut mono-crystalline PERC cell, the Evo 6 Series photovoltaic panels comes with several innovative design features allowing higher output power up to 670W. Rear-side Power gain;● Half-cell cutting technology to lower output power loss from shading;● Unique product design to realize cooler working temperature and smaller probability of hotspot;● Double-glass design gives more strength to the whole panel to avoid. Bifacial photovoltaic modules are available in two types: single-glass bifacial modules and double-glass bifacial modules. Single-glass bifacial modules are lightweight and suitable for rooftop installations, while double-glass bifacial modules provide greater resistance to weather conditions.

Amman monocrystalline double-glass module manufacturer

Middle East and Africa Bifacial Mono PERC Double Glass Module ...

The Middle East and Africa Bifacial Mono PERC Double Glass Module Market is witnessing substantial growth due to the region's accelerating shift towards sustainable energy sources.
