

Argentina off-grid bess cabinet exchange fees

Overview

A fixed payment of \$10/MWh will be received for electricity supplied under the contract with energy storage capacity rewarded with a maximum \$15,000/MW/month. 3GW of energy storage applications for its first battery energy storage system (BESS) tender. The volume submitted for the AlmaGBA scheme is more than twice the available capacity, as the wholesale market operator CAMMESA (Compañía Administradora del Mercado. The suggested battery energy storage systems (BESS) have to provide at least a discharge of four hours and comply with the international best practice of commercial and industrial energy storage (C&I ESS). From ESS News Argentina's Wholesale Electricity Market Administration Co. These systems are expected not only to mitigate blackout risks but also to reduce marginal.
