

Australian manufacturer of 50kW outdoor telecom cabinets

Overview

At AZE Telecom, we specialize in designing and manufacturing weatherproof outdoor electrical enclosures and outdoor enclosures for electrical equipment that ensure your systems remain safe, secure, and operational, no matter the environment. Why Choose AZE's Outdoor Telecom Enclosures?

. The Delta Outdoor cabinet is the choice from the tropics to the arctic when space is scarce or site density needs to be increase cost-effectively. A flexible con-figuration is the way to tailor. Erntec's production facility has been organized to uphold the highest standards of quality and precision in custom enclosure fabrication and assembly. As an ISO 9000 certified company we are committed to refine our systems and procedures through lean principles and practices. Legrand Australia specializes in electrical installations and digital building infrastructures, offering a wide range of over 15,000 products that may include telecom cabinets and related equipment.
