### The five largest battery energy storage system (BESS) integrators

...

Mainland China battery storage market has experienced drastic growth since 2022 and is exclusively supplied by local players, leading to Chinese system integrators moving up on the global ...

## THE CHINA BATTERY ENERGY STORAGE SYSTEM (BESS) MARKET

Ahead and heading into a new era for new energy, it is expected that China's

energy storage capacity and its BESS capacity in particular will grow at a CAGR rate of 44% between 2023 and 2027.
