

Bidirectional output portable mobile power supply

Overview

An AC/DC bidirectional power supply module not only delivers energy but also recovers unused power, significantly improving the efficiency of modern energy systems. In other words, these modules perform multiple functions in a single enclosure. You can then easily power energy-hungry devices such as hairdryers, kettles, electric blankets, heaters and more. Purmars is built with the safest LiFePO₄. Buy Portable Outdoor Mobile Power Supply, Bidirectional Fast Charge, 48000mAh, Large Capacity, 300W Output, 140W at Aliexpress for. Enjoy ✓ Free Shipping Worldwide! ✓ Limited Time Sale ✓ Easy Return. This article explains its functionality, benefits, and applications, offering a clear overview of this important technology.
