

# CIMC Photovoltaic Bracket

## Overview

---

Without the need for complex renovations or occupying extra space, Chiko Solar's new generation of balcony photovoltaic bracket systems is turning ordinary household balconies into miniature power stations, transforming every ray of sunlight into tangible household wealth. CIMC Offshore Solar Technology (Yantai) Co. Products CIMC Offshore Solar focuses on providing integrated solutions for marine comprehensive development based on offshore photovoltaic technology. Latest version of photovoltaic embedded bracket specificat adjustable photovoltaic support structure taic modules, mounting systems, inverters, power transfor er. The general materials include aluminum alloy, carbon steel, and stainless steel.
