

Can I enter the base station power room

Overview

Go to the Brookhaven Police Station and enter Cell #2. The area is completely dark, and even a flashlight won't work. This step-by-step guide will walk you through the process, helping you seamlessly connect your Steam Base. What do do with Power Cells in The Base?

After collecting the second subroutine, a door opens in the base to the Botany Room. One of them you can insert in the same room and it turns on some lights. But what do I do with the. The quest is started by traveling to the HELIOS One power plant, located north of Novac and the Gibson scrap yard; talking to Old Lady Gibson at the latter will provide a map icon and information on its history including once being under the control of the Mojave chapter of the Brotherhood of. Before installing the base stations, decide first whether you want to set up a room-scale or seated/standing-only play area. Important: During unboxing, remove the thin film that covers the front panel of the base stations.
