

Can storage boxes be placed in refrigerators

Overview

Eliminating boxes from your fridge isn't really a matter of food safety; it's just for optimal organization. When you get home from your grocery trip, if you have any food items that come in boxes, transfer the contents into a zip-top baggie or transparent reusable container. Preparation is key when storing a refrigerator. Empty the Refrigerator Start by removing all food items, including perishables and non-perishables. Price and other details may vary based on product size and color. Read on for some of our favorite refrigeration organization ideas.
