Constant Temperature and Humidity Power Cabinet Rental Service

Overview

Easily rent a large high-temperature and high-humidity room for anywhere from 1 hour to several months! We offer a rental service that allows you to use our constant temperature and humidity chamber at a low cost, available 24 hours a day, 365 days a year. Our climate controlled storage cabinets deliver stable temperature and humidity, so rubber, polymer, and composite materials age slower, inspections pass more often, and field crews stay ready. Each climate control cabinet combines precise sensing, sealed construction, and configurable interiors to. A constant climate chamber, also known as a climate cabinet or climate chamber, is a unit used to simulate certain environmental conditions (temperature and relative humidity). ** If you don't see what you need, please ask!.
