

# Contract for installing photovoltaic panels on contracted land

## Overview

---

This Solar Panel Installation Agreement template provides a comprehensive framework for formalizing the installation of solar energy systems. Contracts often last 20 years or more. You don't buy the system or own anything installed on your property during the term of the contract, you're entitled to use all the power the system produces. The system shall include. A Solar Power Purchase Agreement (SPPA) is a financial arrangement in which a third-party developer owns, operates, and maintains the photovoltaic (PV) system, and a host customer agrees to site the system on its property and purchases the system's electric output from the solar services provider. The Provider agrees to provide solar panel installation services to the Client as outlined below: 1.
