

Crystalline silicon photovoltaic panel manufacturer address

Overview

We are a high-tech enterprise engaged in the manufacture and sale of crystalline silicon solar cells, including 5 mono-crystalline and poly-crystalline solar cells. Founded in 2007, our company is located in minhang export processing zone, fengxian district, Shanghai. Grid-connected solar photovoltaics (PV) is the fastest growing energy technology in the world, growing from a cumulative installed capacity of 7.7 GW in 2007, to 320 GW in 2016. The certification mark shown above can be a fixed on the product. 852 polycrystalline panel manufacturers are listed below. Shanghai alex new energy Co. has registered capital of USD20 million, with first phase investment of USD55 million. At the same time, our firm also has the capacity to conduct design and project implementation. It is part of the Access Group of companies, boasting of a glorious history of over 28 years in Cable and Solar manufacturing activities.

Crystalline silicon photovoltaic panel manufacturer address

Shanghai Pubsolar Co., Ltd. , Shanghai, China , Company Overview

Company Description: Shanghai Pubsolar Co., Ltd. is a hi-tech enterprise that specializes in the R& D, manufacture and sale of crystalline silicon solar modules and associated photovoltaic power ...
