DATA CENTER , 0, 1, 2, 3, 4, 5, 6 Levels of Commissioning

? Why Use Commissioning Levels?? Can A Data Centre Be Commissioned Not Using The Levels?? Are The 5 Levels The

Same as The ASHRAE CX Process??
Commissioning Tags and Colours? Data Center Commissioning Guideline Template? Level 0 - Design and Planning Activities? Level 1 - Factory Testing Activities? Level 3 - Systems Start-Up Activities? Level 4 - Component / System Functional Performance Testing Activities? Level 5 - Integrated System Testing Activities
Colored tags are installed to visually indicate components and a system's commissioned status during a project's construction and commissioning phases. They will be installed after each 'Level' has been completed and verified by the Owners Commissioning Manager. See more on [constructandcommission CX Planner](#)
