

# Dubai energy company uses smart photovoltaic storage cabinet

## Overview

---

Shanghai Electric has built a “Photovoltaic + Energy Storage” microgrid demonstration power station under intelligent and integrated control, on the site of the CSP-PV project Phase IV in Dubai. Summary: Dubai's ambitious solar energy storage project is setting new benchmarks in renewable energy integration. This article explores its technological innovations, environmental impact, and how it addresses energy demands through cutting-edge battery storage solutions. The system includes: a 400 KW PV power generation system, a 1 MWh battery energy storage system and a. HUIZHOU, China, Ap/PRNewswire/ -- Desay Battery, a pioneer in energy storage, presented its newest self-developed products and solutions at Middle East Energy Dubai 2025, the Middle East's most influential exhibition for power and renewable energy. The company unveiled the 1+X 2. 0 Energy Storage System (ESS) at the PV&ESS Summit.
