

# Energy company uses 100kWh outdoor telecom cabinet

## Overview

---

AZE's lithium battery energy storage system (BESS) is a complete system design with features like high energy density, battery management, multi-level safety protection, an outdoor cabinet with a modular design. This is where energy-efficient outdoor telecom cabinets come in, playing a vital role in reducing energy use while maintaining high reliability and performance standards. IP54 protection, 8000. Shandong Harbor Electric Power Engineering Co. is a high-tech enterprise focused on the field of power transmission, distribution, and control systems, integrating research and development, production, sales, and service. Our Industrial and Commercial BESS offer scalable, reliable, and cost-effective energy solutions for large-scale operations.
