

# Financing for the 150-foot Folding Container Project in Bangladesh

## Overview

---

The Chittagong Port Authority (CPA) is entering into a concession agreement for 30 years of operations plus an extension tied to KPIs with APM Terminals B., a wholly owned subsidiary of A. Møller – Maersk A/S (Maersk Group)- one of the world's leading integrated logistics. Washington, J— The World Bank's Board of Executive Directors today approved \$650 million to help Bangladesh invest in infrastructure critical for developing the Bay Terminal deep seaport, which will significantly improve Bangladesh's global trade competitiveness and reduce import and. On 23 April, Bangladesh and the World Bank signed two financing agreements totaling US\$850 million to help the country develop the Bay Terminal deep-sea port and modernize the national social protection system to accelerate job creation and inclusive growth. “To remain on a sustainable growth path. ADB Leads Financing of First Private Sector Solar "As Asia's climate bank, ADB welcomes the opportunity to support renewable energy in Bangladesh, where obtaining long-term financing for such projects is a challenge," said ADB Private Sector Operations Department Director General BANGLADESH. A joint venture of TOA CORPORATION (President Takeshi Hayakawa) and Penta-Ocean Construction Co. (hereinafter POC, President Takuzo Shimizu) and TOA Corporation (President Takeshi Hayakawa) has recently been awarded a construction contract from the Chittagong Port Authority of Bangladesh for the “Matarbari.
