

Georgia lithium battery pack custom manufacturer

Overview

We are a full-service custom battery manufacturer with full design and engineering capabilities. Our team has extensive experience with lithium-ion, lithium polymer, nickel metal hydride, nickel cadmium, lithium primary, and alkaline battery packs and assemblies. For over 57 years, Custom Power has designed, developed, and manufactured high-quality, reliable, custom battery packs. With more than 120+ years of collective experience in custom battery pack design and battery distribution, we have the knowledge and expertise to help you through your most complex design and. Apex Mobile Power is a custom battery supplier specializing in OEM lithium battery design and manufacturing. We build the batteries powering the global shift toward electrification. Whether you're retrofitting existing equipment or launching something entirely new, we design and make lithium-ion systems.

Georgia lithium battery pack custom manufacturer

Custom Battery Pack Manufacturer (OEM)

Learn more about our custom battery pack design to optimize the cost and performance of your next product. Fill out our form to provide us with more information about your project and preliminary ...
