

Government subsidies for household solar power generation

Higer conversion efficiency

CAN/RS485/WIFI/4G
Blue tooth communication

20 Kwh

30 Kwh

50 Kwh

Thick shell, well protection for inside cells

BMS customization supported

The advertisement features three stacks of white solar power generation units on wheels, labeled with their capacities: 20 Kwh, 30 Kwh, and 50 Kwh. The units are shown in front of a house with solar panels on the roof. The background of the advertisement is a light blue sky. The text 'Higer conversion efficiency' is in the top left, and 'CAN/RS485/WIFI/4G Blue tooth communication' is in the top right. The capacity labels are in green circles. The bottom features two green boxes with text: 'Thick shell, well protection for inside cells' and 'BMS customization supported'.
