

Hai photovoltaic panel production plant

Overview

Chinese PV module manufacturer Haitai Solar has announced the termination of a 10GW TOPCon solar cell project and the cancellation of its R&D centre expansion plan. Capital raised for the venture will be reallocated to construct a 3GW cell and module manufacturing facility in. Founded in 2006, Haitai Solar started with photovoltaic (PV) module manufacturing. Leveraging its deep industry experience and technical expertise, the Company gradually expanded into the broader energy sector. At present, the global total production capacity is 10GW. Capital raised. Let's explore what makes this Haitai photovoltaic panel manufacturer the dark horse of renewable energy solutions. When California's SolarTech Solutions needed to upgrade 12,000 rooftop installations last year, they didn't just pick any photovoltaic panel manufacturer - they chose Haitai Solar.

Hai photovoltaic panel production plant

Hai photovoltaic panel manufacturer address

Haitai Solar is a high-tech enterprise focused on green energy with five Business Divisions: Photovoltaic modules, Utility Scale Power Plant, Photovoltaic Brackets, Energy Storage, and Hydrogen Energy.
