

# Home Energy Storage Power Company

## Overview

---

A robust home energy storage and management system integrating various power sources to provide 24/7 whole-home power backup and intelligently optimizing energy use to eliminate energy bills. Our solutions integrate advanced battery technology with solar systems, enabling households to store excess daytime energy for use at night or during peak demand. By maximizing. SigenStor is an AI-optimized 5-in-one energy storage system that brings your solar dream to reality, helping you achieve energy independence with maximum efficiency, savings, flexibility and resilience. Whether during blackouts or peak demand, you'll enjoy uninterrupted comfort and peace of mind. By intelligently managing solar, battery, generator, EV, and grid power, the FranklinWH System helps you cut down electricity bills. Powerwall is a compact home battery that stores energy generated by solar or from the grid. It's the new standard to handle your home's growing energy needs.

## Home Energy Storage Power Company

---

- ✓ 50KW/100KWH
- ✓ HIGHER POWER OUTPUT IN OFF-GRID MODE
- ✓ CONVENIENT OPERATION & MAINTENANCE
- ✓ PRE-WIRED

### Residential energy storage solutions for homes

In today's world, homeowners are increasingly seeking ways to gain control over their energy consumption, reduce electricity bills, and ensure a stable power supply. The answer to these modern ...
