

# How to install liquid flow battery lightning protection for solar container communication stations

Warranty  
**10 years**

LiFePO<sub>4</sub>

Intelligent BMS

Wide Temp:  
-20°C to 55°C

## How to install liquid flow battery lightning protection for solar cont

---

### Lightning and Surge Protection for Communication Station

Install lightning rods, grounding, surge protectors, shielding, and follow standards for effective communication station protection.
