

# Huijue 320 inverter price

## Highvoltage Battery

## Overview

---

A small inverter with a lower capacity [1-3Kw] may cost between Rs. 200,000 and substantially beyond that. Cost-Effective Performance: 20ms reactive power response, support for 400mm<sup>2</sup> Al cables, and PLC to save on installation costs. Huijue Group's 32kW Three-Phase Grid-Tied Solar Inverter is engineered to deliver outstanding performance and efficiency for medium to large-scale solar power. ● Inverter Capacity: Pricing is generally higher for inverters with a higher capacity. ● Brand. Huijue Group supplies off-grid and on-grid inverters, from several kilowatts up to tens of kilowatts. Our series provide reliable energy conversion in different applications and guarantee a high performance with efficiency at home, business, or industry, in a great power range starting from 3kW up. Huijue Group was founded in 2002, is leading Inverter Manufacturer in China, to provide customers with the optimal energy storage system solutions and safe and efficient storage full range of products, covering household energy storage system, industrial and commercial energy storage system and. You've probably noticed solar inverter quotes ranging from \$150 to \$38,000. What's behind this massive price gap?

Let's cut through the noise. Off-grid inverters aren't just boxes that flip DC to AC – they're your system's brain, battery manager, and power guardian rolled into one.
