

Hungary about solar container energy storage system

50KW modular power converter

Flexible Configuration

- Modular Design, Expanding as Required
- Small&Light, Wall Mounted
- Installed in Parallel for Expansion

Powerful Function

- Support PV+ESS
- Grid Support, Equipped with SVG Technology
- On-Grid and Off-Grid Operation

Reliable Protection

- Outdoor IP65 Design
- Sufficient Protection Functions Equipped

Hungary about solar container energy storage system

DSO-Owned Storage

As part of the IElectrix project, Hungary installed two grid-connected battery energy storage systems (BESS) at Zánka and Dúzs, the first such systems owned and operated by a Hungarian DSO. A ...
