

# Inner Mongolia solar panel manufacturer

## Overview

---

Workers from CHN Energy Inner Mongolia Company dedicated their time and effort to transform the desolate landscape into a remarkable “blue ocean” of photovoltaic panels. After more than 300 days of hard work, the builders installed more than 5. Baotou City, also referred to as the "Green Silicon City" in China, stands out as the largest. Inner Mongolia Energy Group has turned on a 1.6 GW photovoltaic plant online in the Ulan Buh Desert near Bayannur, Inner Mongolia. The 3-million-kilowatt photovoltaic power station project in the Ordos coal mining subsidence area of Inner Mongolia, constructed by the CHN Energy Investment Group's Inner Mongolia Company, is part of China's second batch of large-scale wind power and photovoltaic bases. Why Is Inner Mongolia Becoming China's PV Installation.
