

Is GoodWe solar inverter afraid of water

Overview

All GoodWe inverter series are IP65 waterproof and dustproof for indoor or outdoor mounting. In this case, the plant owner took advantage of suitable roofs, along with the surface of the water, to construct the photovoltaic power station. GoodWe Smart Energy Management System (SEMS) has been used for visualizing and monitoring the operation of this power plant. Three years on and this. At BestSolarBundle. and international manufacturers working together under one roof. As an authorized factory representative, our mission is simple: make home energy independence easy, affordable, and real. We deliver pre-matched solar bundles—inverters, batteries, and. Goodwe inverters generally receive positive reviews for their performance, efficiency, and affordability.
