

Large capacity solar battery cabinet supplier

Overview

We have a large selection of enclosures and control cabinets ranging from single battery pole, ROHN tower and wall mounted, to custom multi-battery enclosures. KDM is your professional solar battery enclosure manufacturer in China. Protect your solar batteries with our tested, waterproof enclosures today! KDM solar battery cabinets provide you with the ultimate outdoor dust-tight. Most industrial off-grid solar power systems, such as those used in the oil & gas patch and in traffic control systems, use a battery or multiple batteries that need a place to live, sheltered from the elements and kept dry and secure. This place is called a "battery enclosure", or what is. We can design, build, and integrate a complete system for your solar battery enclosure! Take the guesswork out of your solar system and let us put together the perfect solution for you. They assure perfect energy management to continue power supply without interruption.
