

# Lilongwe builds new energy storage

## Overview

---

Lilongwe, Malawi | 25th November 2024 — The Global Energy Alliance for People and Planet (GEAPP) and the Government of Malawi have officially launched the construction of a 20 MW battery energy storage system (BESS) at the Kanengo substation in Malawi's capital city, Lilongwe. This is GEAPP's first. As Malawi accelerates its renewable energy adoption, the Lilongwe Energy Storage System Construction project emerges as a game-changer. With Malawi's growing demand for stable electricity and global shifts toward sustainable infrastructure, this initiative offers a unique blend of technical.
