

Longi photovoltaic panel 485 type

Overview

LONGi Solar 485Wp Hi-MO X10 Explorer LR7-54HVH-485M is a high-efficiency monocrystalline photovoltaic module. 15-year product warranty and 30-year production warranty. Specifications included in this datasheet are subject to change without notice. Established in 2000, Longi is committed to promoting renewable energy adoption by creating cost-effective, high-performance solar products, making it a top choice for both. The LonGi 485W Solar Panel (LR5-66HPH 480-505M) is a high-performance solar module based on M10 Gallium-doped wafers, delivering exceptional energy efficiency. It features 9-busbar half-cell technology and advanced smart soldering, ensuring superior power generation even under low light conditions.

Longi photovoltaic panel 485 type

LONGi Solar 485W Hi-MoX10 HPBC + N-type Mono Solar Module

The LONGi Solar 485W Hi-MoX10 HPBC + N-type Mono Solar Module offers industry-leading efficiency, innovative BC cell tech, and robust European-grade reliability. Ideal for installers, this module ...
