

# Longi photovoltaic panel domestic ranking

Voltage range:691.2-947.2V

>6000 cycles(100%DOD)

Rated battery capacity:  
216KWH (customizable)

EMS communication:  
4G/CAN/RS485

## Overview

---

LONGi has announced the retention of its AAA rating in PV-Tech's Q1 2025 PV ModuleTech bankability ratings, marking the company's 21st consecutive quarter at this top tier and underscoring its long-term commitment to quality, innovation, financial stability and leadership in the. LONGi has announced the retention of its AAA rating in PV-Tech's Q1 2025 PV ModuleTech bankability ratings, marking the company's 21st consecutive quarter at this top tier and underscoring its long-term commitment to quality, innovation, financial stability and leadership in the. Additionally, LONGi was among the 10 best solar panels of 2025 according to our experts! Our list was compiled based on numerous factors, most notably the financial strength of the company, length of business, and customer reviews. We will break down the types of LONGi solar panels available. Recently, Bloomberg New Energy Finance (BNEF) released its Q3 2025 “Global PV Module Manufacturer Tiering List,” in which LONGi was again recognized as a Tier 1 PV module manufacturer. This reaffirms LONGi's continued leadership in the global photovoltaic industry. LONGi, leveraging its exceptional comprehensive strength, has secured a position on the highly. The panels from LONGi Solar are the ones of the most efficient solar panels with almost 25% efficiency ratings due to HPBC technology. LONGi provides a 12-25-year product warranty and a 25-30-year output warranty.
