

Longi photovoltaic panel energy storage

LIQUID COOLING ENERGY STORAGE SYSTEM

EMS real-time monitoring

No container design
flexible site layout

Cycle Life
≥8000

Nominal Energy
200kwh

IP Grade
IP55

Overview

China-based photovoltaics and electrolyser maker LONGi has officially moved into the energy storage sector with the launch of its LONGi Energy Storage One-Stop Solution, positioning the company as an integrated solar-storage-hydrogen technology provider. Author: Portland General. Supported by flexible energy storage and other advanced technologies as well as innovative policy mechanisms, efforts can be made to optimize the actual load demand and integrate the power supply and grid resources in a safe, green, and efficient manner. Author: Portland General Electric.
