

Longji Photovoltaic Panel General Agent

Overview

Contact LONGJI for solar panel and inverter inquiries. We support global buyers with factory-direct supply, technical support, and customized solar solutions. Since its establishment, the company has adhered to innovation-driven development, and ensured that photovoltaic panels have high efficiency and long life by continuously optimizing the production process and improving product performance. You can visit at our place or contact us anyway You can. At the key node of intergenerational transition of global Photovoltaic (PV) technology, the back contact (BC) cell technology is leading the new-generation PV technology paradigm revolution, becoming the core engine to drive industry cost reduction and efficiency improvement and realize energy. LONGi Solar is a Tier 1 manufacturer of solar panels renowned for its monocrystalline technologies and the latest innovations. LONGi was incorporated in 2000 and has focused exclusively on monocrystalline wafers since then. Longji Tongchuan National Photovoltaic Leader Solar PV Park is a ground-mounted solar project which is spread over an area of.

Longji Photovoltaic Panel General Agent

Solar Photovoltaic Panels Manufacturer , Solar Panels for Sale , LONGi

With excellent technical research and development team and advanced production equipment, it has established a good reputation in the solar photovoltaic industry, and its products are exported to ...
