

Manufacturer of 500kWh Intelligent Photovoltaic Energy Storage Containers for Wastewater Treatment Plants

Product Model

HJ-ESS-215A(100KW/215KWh)
HJ-ESS-115A(50KW 115KWh)

Dimensions

1600*1280*2200mm
1600*1200*2000mm

Rated Battery Capacity

215KWH/115KWH

Battery Cooling Method

Air Cooled/Liquid Cooled

Overview

A high-performance, all-in-one, containerized battery energy storage system developed by Sunark , provides C&I users with the intelligent and reliable solution to optimize energy efficiency and resilience. The modular design enables easy expansion and front maintenance, while a built-in local monitoring EMS allows for remote oversight. LZY mobile solar systems integrate foldable, high-efficiency panels into standard shipping containers to generate electricity through rapid deployment generating 20-200 kWp solar. Foshan Tanfon Energy Technology Co., Ltd started from 2007,we are a professional solar inverter manufacturer focused on one -stop solar service. After 18 years developement, our factory cover an area of 30000 square meters,80 salesman in our sales team, and over 200 workers in our factory, over. MEGATRON 300 & 500kW Battery Energy Storage Systems are AC Coupled BESS systems offered in both the 10 and 20' containers. Designed with either on-grid (grid following) or hybrid (grid forming) PCS units, each BESS unit is capable of AC coupling to new or existing PV systems making them an ideal. This scheme is applicable to the distribution system composed of photovoltaic, energy storage, power load and power grid (generator).

Manufacturer of 500kWh Intelligent Photovoltaic Energy Storage Co

BESS 500kwh 1MWh Container Battery Energy Storage System

It features a three-level battery management system that ensures robust protection against overcharging, over-discharging, and over-voltage. The modular design enables easy expansion and front maintenance, while a ...
