

# Nature power 2000w wind turbine

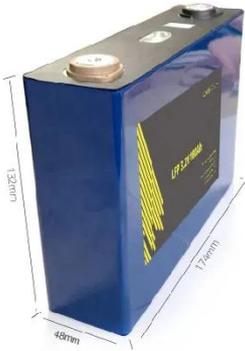

## Overview

---

The Nature Power 2,000 Watt Marine Grade Wind Turbine efficiently harnesses wind energy day and night. Schedule 80 steel pipe — optional tower mounting kit (Item# 121072) sold. This Off-Grid wind turbine can produce up to 2000-Watt of power for free in your own backyard. Easy assembly with only 5 parts, the body, a nose cone and 3 blades. AC output at the wind turbine body ensures that you keep the most power possible over the distance. Nature Power Wind Turbine - 2,000 Watt, Marine Grade, is a 2000 Watt. Use with an inverter to run small TVs, phones, lights, radios, and power tools, in your cottage, cabin, work site where power from the electric company is too expensive or not available.
