

New solar battery cabinet exhibition

Overview

This is where the UK market's buyers and installers come to investigate, assess and purchase solar and energy storage products. We bring the entire energy value chain together with innovators and disruptors, to discover the technology and solutions needed to drive the UK's energy. The Battery Show & EV Tech Expo 2025 energized Detroit with four days of innovation, discovery, and industry collaboration, marking 15 years of growth and progress. Save exhibitors and events to your list of favorites, access exclusive. Ever wondered where the giants of energy storage unveil their latest breakthroughs?

Think of these exhibitions as the "Super Bowl halftime shows" for battery tech - flashy, packed with surprises, and occasionally featuring metaphorical fireworks when competitors' booths face off across the aisle. Solar & Storage Live UK, the UK's largest solar and energy storage exhibition, showcases global market leading and innovative solar and energy storage solutions and complementary technologies for Residential, Commercial & Large-Scale Utility projects.
