

New zealand solar storage cabinet hybrid

Overview

Our hybrid battery systems combine solar power with storage, providing maximum independence, efficiency, and peace of mind during power outages. The PowerVault is MEDA's flagship prebuilt solar cabinet — our most powerful and scalable system to date. 4kW Hybrid Solar System Package, designed for grid-tied operation with battery storage for enhanced energy independence. This comprehensive package features premium Longi solar panels, a SolaX hybrid inverter, and SolaX Triple Power batteries. Our grid-tied and hybrid solar systems are designed to give you a seamless blend of solar, battery, and grid power, ensuring you always have the energy you need.
