

Niue energy storage container production and customization

Overview

GETON CONTAINERS specializes in large-scale photovoltaic power plants, custom folding solar containers, solar inverters, and energy storage systems for commercial, industrial, and utility applications across Southern Africa. Our certified solar. Because custom energy storage containers are rewriting the rules of sustainable power in remote locations. We manufacture different types of energy storage devices and export them all over the world. This project was implemented in partnership with a local grid upgrade project in Niue.
