. Stay powered and connected wherever your adventures take you with a reliable portable power station from Lowe's. Ideal for camping, tailgating, emergencies or everyday outdoor activities, portable power stations provide a safe and convenient energy solution so you can charge and run essential. Our new top pick, the Bluetti Elite 200 V2, stood out for its exceptional battery capacity—among the highest of any model we tested that isn't a whole-house unit—plus its rugged build quality and reliable output. With a powerful 3000 Watt AC inverter, this outdoor energy storage power supply can provide enough power to run essential home appliances and electronics in case of a power outage.
