

# Outdoor Energy Storage Cabinet with Constant Temperature and Humidity Protection Period

## Overview

---

Scalable from 215kWh to multi-MWh configurations for flexible industrial needs. IP54-rated outdoor cabinet withstands extreme temperatures, dust, and moisture. KonkaEnergy Outdoor Separate Battery Cabinet Series (215kWh) The KonkaEnergy Outdoor Separate Battery Cabinet Series, a safe, reliable, and highly scalable solution designed for modular energy storage projects. This system utilizes premium battery technology and intelligent thermal management to. and delivers stable performance across a wide temperature range of -20°C to 60°C. LFP Chemistry, Grade A Cells from Tier 1 Supplier. Short Circuit. Our 200KWh outdoor cabinet energy storage system works with PowerNet outdoor control inverter cabinets for modular expansion. Whether you need peak shaving for commercial facilities, backup power for telecommunications sites, or modular expansion for. Outdoor cabinet products use high-performance LFP cell, cycle life up to 8000 times. Products adopt an active balance solution, built-in cloud equipment, support remote maintenance and monitoring, and fully control the system status.
