

# Ping photovoltaic panels

## Overview

---

Pingo sells, services, engineers and installs all solar installations in house, with high-quality solar modules from tier 1 solar suppliers such as Hyundai, Q-Cells and LG Electronics. All Pingo solar systems come with the lowest guaranteed price or your money back. PING, the leading golf equipment manufacturer, has taken the next step towards sustainability by installing 655 solar panels on the roof of its headquarters in Gainsborough. The company has recently announced a collaboration with Cactus, a bespoke energy design. Made with chemicals safer for human health and the environment.
