

Price of photovoltaic panel assembly line trimming machine

Overview

The ECOTRIM A is a robust automatic trimming station designed to enhance the efficiency of PV module production. Discover more Auto Corner Grinding Machine An automatic corner grinding machines is an efficient machine used for automatic grinding of solar panel. There is elastic contact between the cutting blade and the glass, which can be easily adjusted through the pressure of the contact 6. The machine is equipped with a waste bin for easy cleaning Cut the excess backplane and EVA around the laminated assembly 1. With its capability to handle different module dimensions—including standard. At Edobo Solar, we provide top-of-the-line solar panel production equipment to help you set up your own manufacturing line. 4 unit drivers control 4 cutter heads,move in all directions with 8 cutter. Lifetime of knife 50000times 4. With protection cover and emergency function 5.

Price of photovoltaic panel assembly line trimming machine

China Discount Photovoltaic Module Auto Trimming Machine ...

We're well-known as one of the leading photovoltaic module auto trimming machine suppliers in China. Please feel free to wholesale discount photovoltaic module auto trimming machine from our factory. ...
