- LiFePO₄
- Wide temp: -20°C to 55°C
- Easy to expand
- Floor mount&wall mount
- Intelligent BMS
- Cycle Life:≥6000
- Warranty :10 years

Renewable energy, facts and information , National Geographic

Solar, wind, hydroelectric, biomass, and geothermal power can provide energy without the planet-warming effects of fossil fuels. In any discussion about

climate change, renewable energy

Renewable energy - powering a safer future , United Nations

Renewable Energy Sources Are All Around Us
Renewable Energy Is Cheaper
Renewable Energy Is Healthier
Renewable Energy Creates Jobs
Renewable Energy Makes Economic Sense
Every dollar of investment in renewables creates three times more jobs than in the fossil fuel industry. The IEA estimates that the transition towards net-zero emissions will lead to an overall increase in energy sector jobs: while about 5 million jobs in fossil fuel production could be lost by 2030, an estimated 14 million new jobs would be created. See more on un
