Overview

A California attorney has pleaded guilty to federal fraud charges tied to a massive \$912 million Ponzi scheme involving a solar energy investment company that deceived thousands of investors across the United States. The shocking case highlights how complex financial engineering and misplaced trust. Attorney Kevin Kneupper has been practicing law for almost two decades, with a focus on consumer protection cases. He has a CS degree from Wake Forest University and he earned a JD with Honors from Wake Forest University. Published on. NEW YORK - The Legal Aid Society has filed a lawsuit accusing five solar panel companies of deceptive business practices and fraud. Lawyers say the companies work in tandem to target seniors and low-income residents with misleading advertising and miscalculations of cost.
