

Solar panel controllable bracket

Overview

Whether you're expanding your off-grid array or building a new system, this adjustable mounting kit supports up to 5 × 400W or 8 × 200W solar panels, depending on your panel size. Ideal for ground or flat roof mounting, it's perfect where traditional roof installs aren't an option. Mounting Bracket is an important part of solar power system. **Material** The Aluminum alloy 6005-T5 has high strength, good hardness, corrosion resistance. Take control of your solar setup with the ECO-WORTHY Adjustable Multi-Piece Solar Panel Mounting Brackets —engineered for flexibility, strength, and DIY-friendly installation. The adjustable brackets allow for seasonal angle adjustments, optimizing performance across different latitudes and weather patterns. Being a homeowner, contractor, or business owner looking into solar, you need proper bracket selection to make your setup.

Solar panel controllable bracket
