

Overview

EnergySage helps match you with vetted solar contractors for on-demand maintenance and repairs—plus expert guidance to help you understand the issue and what it will cost. We've helped over 50,000 homeowners go solar, and we're here to support you long after installation. Maintenance ROI is Substantial: Professional solar panel maintenance typically pays for itself within 2-3 years through improved performance (5-15% increase) and avoided repair costs (\$500-\$2,000 over system lifetime), making it a smart financial investment for 2025. Climate-Specific Strategies Are. A well-maintained solar array lasts longer, performs better, and stays safer. Most homeowners and businesses hire a qualified technician for this job, and for good reason: a single visit that covers cleaning, inspection, and minor tune-ups typically runs anywhere from \$300, depending on system. RESA Power is your ultimate solution for comprehensive solar farm services. Solar panel cleaning starts at \$200, and inspections cost \$150 to \$300.
