

St john s solar energy storage support program

- 100KWH/215KWH
- LIQUID/AIR COOLING
- IP54/IP55
- BATTERY 6000 CYCLES

Overview

John is a community-based group-purchasing program for solar energy, battery storage, and other clean energy technologies. 113 of your neighbors have already signed up! Solarize St. Our campaigns help homeowners, businesses and nonprofits become more resilient, reduce energy expenses, and save on. Explore incentives and technical resources for installing energy storage for your business. The electricity created by the new 167.4 kWdc solar array and back-up battery will significantly cut the church's electricity bills. We are now accepting enrollments.
