

# Sun king solar battery price

## Overview

---

Sun King's lithium-ion batteries are quieter than a mouse in socks and last up to 10 years. But let's talk numbers: a typical Sun King solar battery price ranges from \$1,200 to \$3,500 depending on capacity. For context, that's cheaper than Tesla's Powerwall but pricier than. From cost-effective solar home systems to multi-kilowatt-scale solar systems that replace the electric utility, Sun King makes the clean energy future possible for families and businesses who need it most. With over 30 million quality solar products sold globally, Sun King's products are tried and true. **Powerful Solar Panels:** The SunKing Home 8000 comes equipped with four high-performance 450W solar panels. These panels harness solar energy with efficiency, generating up to 1800 watts of power under optimal sunlight conditions. You can expand its power to charge larger appliances like TVs and fans by purchasing the solar expansion pack and battery. This detailed guide will help you make an informed decision about the perfect solar battery that matches your needs.
