

US Server Rack 19-inch Manufacturer

Overview

Nemaco™ specializes in high-quality outdoor network server rack enclosures with integrated air conditioning systems, engineered to protect sensitive electrical and networking equipment in challenging environments. Elevate your setup with our range of high end server racks. Upgrade your 19 inch rack today! . Racks and enclosures for 19 inch equipment are made in the U. Most are available with optional doors. If rack-mount servers are to be installed, choose a 19-inch rack; if they are shaped like desktop computers, choose a stationary type. These racks are designed to support a lot of heavy equipment and vertical cable channels and accessories can be added to provide a customizable server rack solution.
