Scooter battery

The battery is installed in the pedal

Built-in battery in car beam

The battery is installed in the car beam

Pack the battery in the box

Thin the battery installation box, replace the battery core without changing the shell

Ebike battery

Overview

The owners of this property in Port Vila, in the Republic of Vanuatu - which lies in the Pacific Ocean a thousand miles off the coast of Australia - wanted a private off-grid energy system, without compromise to their lifestyle, and which would have a design life in excess of twenty. The owners of this property in Port Vila, in the Republic of Vanuatu - which lies in the Pacific Ocean a thousand miles off the coast of Australia - wanted a private off-grid energy system, without compromise to their lifestyle, and which would have a design life in excess of twenty. The 5-star Iririki Island Resort & Spa features luxurious appointed suites and rooms, a casino, a day spa with full a complete gym, a 4-tier cascading swimming pool (one of the largest freshwater pools in the South Pacific), and five world-class restaurants, to cater for its extremely discerning. In Vanuatu, grid power is one of the most expensive in the world. Our solar power systems offer a cost-effective alternative, significantly reducing your electricity expenses and providing a more affordable energy solution. With local experience in both ongrid and offgrid solutions for residential and commercial sites, our design engineers are well-postured to customise a power solution to meet all customers needs. Still Not Sure?

Find quick answers to common questions about pricing, installation, and system flexibility. How. Two houses; a large swimming pool with water pumps and filtration system; fridges and freezers; fans; lighting; air conditioning, and a beautiful tree house which has all the luxury of home.
